Engine House Gardeners Group Forming

Grab your trowels and garden gloves and join the newly forming Engine House gardeners group! Snow may be on the ground right now, but April is just a few calendar pages away.

We want to get a group together to tackle our newly planted gardens around the Engine House property. The perennials and all the baby trees and shrubs will need to be fed. The weeds will need to be pulled and the

mulch raked. The natural gardens will also need some attention on the hillsides, mainly trimming and basic clean up. It would also be nice to plant a few annuals among the perennials for a summertime full of color.

Interested? A sign up sheet will be posted in the coffee shop library. Please include your phone number and email address so we can get organized.

Foundation Provides Additional Support

We would like to acknowledge and thank Peter and Carol Kern, representatives of the Julius and Katheryn Hommer Foundation, for their continued and unflagging belief in our Engine House project. Their 2010 contribution of \$25,000 has brought the total amount to an extremely generous \$200,000!

Adult Book Club Open to More Members

Adults aged 18 or older are welcome to join the recently formed book club at the library located at Main Street Coffee Works on the third Tuesday of every month at 6:30 p.m. Want to meet some interesting characters? Open a book. Want to meet some real-life, interesting characters? Join the book club! More information can be found on our web site at www.whitehavenlibrary.com.

Library Receives Original Artwork

The library recently received a generous donation of original paintings done by White Haven native Edward E. Sensenbach. The paintings will eventually be displayed throughout

the Engine House. Kathryn Poczak, pictured below with one of her favorite pieces, presented the paintings to the library.

Annual Meeting Announced

The library's annual membership meeting will feature committee reports, the financial report, an Engine House update and election of new board members. The public is invited and encouraged to come.

Tuesday, April 26, 2011
7:00 pm
United Methodist Church
Buffalo Street
White Haven

A group of children from the Tots Reading program posed outside holding little seedlings they had planted during one of the summer sessions. Programs will return to the outside area when warmer weather arrives.

2010 Donors Assist Library Efforts

Two area businesswomen headed up fundraisers, which benefitted the library during 2011. Pictured left to right: Renee Monahan, Fundraising Chairperson, receiving a check from Elizabeth Hreha, Mary Kay representative, and Lindsay Munisteri, Silpada representative, presenting a check to Marla Doddo, Board President.

We take time in our annual winter newsletter to thank all the individuals and businesses that continue to make our development efforts possible. Obviously without funding, we could not move forward toward our goal of opening the Engine House for regular use by the community. The library Board of Directors is looking forward to more progress being achieved during 2011 and hope that the members, volunteers, donors and supporters are also anxious to see more progress happen.

Thank you to all those listed for another generous year of giving!

Tot Story Time Big Hit with Little Readers

Molly Brobst, Chairperson of Children's Programs, reading a story to the children in the library.

Tot Story Time meets every Wednesday at 10:30 at the library located at Main Street Coffee Works. Story time is open to children ages 2 to 4 years of age and consists of a new story every week as well as a craft or other special activities. Parents sign up their children during the week so there are enough craft supplies for everyone to participate in the planned activities that supplement the theme of the story. Craft supplies are always needed, since the weekly programs require numerous items for all the children. Donations of washable paint, glue, paper cups, paper or any craft supply would gladly be accepted. Items can be dropped off at the library. Check out the library web site at www.whitehavenlibrary.com for more information.

Pictured above are some of the little readers wearing headgear made during the craft session.
